## About

Computer Science graduate (BITS Pilani) working at the intersection of go-to-market & sales. Full-cycle B2B SaaS experience with a technical foundation: I run enterprise pilots, own solutioning for AI products, and build the outbound and automation systems that drive pipeline. Comfortable moving between a discovery call, platform demos and a workflow builder in the same afternoon. Hands-on fluency with AI-native GTM tooling (Claude Code, Replit, Apollo, Clay, n8n, Codex, Figma, Canva, Skills, MCP Connectors)

## Education

### Birla Institute of Technology and Science, Pilani

Jun 2024

Bachelor of Engineering in Computer Science

Rajasthan, India

- **Relevant Coursework:** Data Structures & Algorithms, Object Oriented Programming, Database Management Systems, Probability & Stats, Operating Systems, Computer Networks, Combinatorial Mathematics, Computer Programming, Computer Architecture
- **Minor in Entrepreneurship:** Design Thinking, Entrepreneurial Organizations, Finance & Accounting, Strategy, New Venture Creation

## Professional Experience

### Fibr AI, Head of GTM

Sep 2024 – Present

Raised \$7.3 million from Accel, Building AI Agents for Website Experiences)

Bengaluru, India

- Ran full-cycle AE sales on 150+ deals geographically around the world, primarily in US and India, building a **\$2M pipeline on Pipedrive CRM**
- **Founding sales member;** migrated operations from spreadsheets to a full stack (Apollo, Lemlist, n8n, Claude), hitting 10%+ reply rates
- Rebuilt the inbound funnel through form-journey, pricing-plan, and PLG/SLG experiments, improving friction by **50% reduction in steps**
- Owned Fortune 1000 BFSI & healthcare pilots end-to-end (Citi, Elanco, Cedars-Sinai, Protect), **driving 20%+ uplift on CTA conversions**
- Led the **Full-Cycle process for Indian clients from discovery to pilot success** (DrinkPrime, DevX, etc.), in 3 months at 0% churn rate
- Sourced **15+ BFSI deals (ICICI, HDFC, Niva Bupa, Kotak-Zurich)** via Intra-country events like InsurTech, AIM summit, Global FinFest

### Viacom18, Performance Marketing Intern

Jan 2024 – Jun 2024

SVOD Team, JioCinema, awarded Pre-Placement-Offer (PPO)

Mumbai, India

- Built **10+ conversion funnels** and studied user behavior in Mixpanel & AppsFlyer, surfacing activation & drop-off insights for acquisition
- Ran subscription-acquisition experiments across Web+App via Google & Meta Ads Manager, driving **15% reduction in cost-per-subscription**
- **Cut reporting time on Excel by 40%** for 6 new entertainment launches by streamlining DV360 workflow with agency partner Havas Media
- Managed **on-page and off-page SEO for 10+ streaming titles** using SEMrush and Google Search Console, improving organic discovery

## Entrepreneurial Venture

### Raptures | Co-Founder, CEO

Jun 2022 – Jan 2024

Discord Bot Interface to remove friction in Web3 with 1-click button for Wallet creation & transactions

Pilani, Rajasthan

- Awarded **German Academic Exchange Service (DAAD) Grant** for 13-day fully Sponsored camp (€1080 Euros) at **TU Braunschweig, Germany**
- **Overall Winners of BITS Startup competition - Desert Hack** by Center for Entrepreneurial Leadership amongst 35+ Startups of 4 Campuses
